

Chief Patron

Dr. P. Shyama Raju
Chancellor, REVA University

Mr. Umesh S. Raju
Pro Chancellor, REVA University

Patrons

Dr. Sanjay R. Chitnis
Vice Chancellor, REVA University

Dr. K S Narayanaswamy
Registrar, REVA University

Organising Secretaries

Prof. B. R. Shilpa
Deputy Director, School of Applied Sciences
REVA University

Dr. Vishu Kumar M.
Professor and Head, Department of Mathematics,
School of Applied Sciences, REVA University

Dr. Hanumagowda B. N.
Professor, Department of Mathematics, School of
Applied Sciences, REVA University

Convener

Dr. Udaya Kumara K. N.
Professor, Department of Mathematics, School of
Applied Sciences, REVA University, Bengaluru
E-mail: udayakumarkn@reva.edu.in
Mobile No: +91- 9980923283

Organising Committee

Department of Mathematics, School of Applied
Sciences, REVA University, Bengaluru, India.

Local Advisory committee

1. Dr. Madhusudhan Reddy, Professor and Head,
Department of Chemistry, REVA University, Bengaluru.
2. Dr. Sunitha D. V, Professor and Head, Department of
Physics, REVA University, Bengaluru.
3. Dr. Sikandar Mulla, Associate Professor and Head
(I/C), Department of Biochemistry, REVA University,
Bengaluru.

Call for Papers – ICRTACM 2025

We invite original research papers for the 6th International
Conference on Recent Trends in Applied and Computational
Mathematics (ICRTACM-2025).

We are delighted to announce that selected papers
from this conference will be published in a prestigious
Scopus-indexed and Q-rated journal. This is a
remarkable opportunity for researchers, academicians,
and professionals to present their innovative work on a
globally recognized platform.

All selected research articles will undergo a rigorous peer-
review process before publication.

Publication Details

Journal Name:

Montes Taurus Journal of Pure and Applied Mathematics.

Scopus Source Link:

<https://www.scopus.com/sourceid/21101180045>

**Further details will be announced soon on the official
conference website:**

<https://www1.reva.edu.in/ICRTACM-2025/>

National & International Advisory Committee

1. **Dr. Hari Ponnammma Rani**, Professor, Department of Mathematics, NIT Warangal, Telangana, India.
2. **Dr. Rashmi Bhardwaj**, Professor of Mathematics, Non-Linear Dynamics Research Lab, University School of Basic & Applied Sciences, Guru Gobind Singh Indraprastha University, Dwarka, New Delhi, India.
3. **Dr. Jayakumar K. V.**, Visiting Professor cum Outreach Advisor, Member, Governing Body, IIT Dharwad, Karnataka, India.
4. **Dr. Amlan K. Barua**, Associate Professor, IIT Dharwad, Karnataka, India.
5. **Dr. Sreekar Vadlamani**, Associate Professor, TIFR–Center for Applicable Mathematics, Bangalore, India.
6. **Prof. Dr. Ismail Naci Cangul**, Professor, Department of Mathematics, Bursa Uludag University, Gorukle Bursa, Turkey.
7. **Prof. Dafik**, Professor and Dean, CGANT Research Group, Department of Mathematics Education, FKIP - The University of Jember, Jl. Kalimantan no. 37, Kampus Tegal Boto, Jember – 68121, Indonesia.
8. **Dr. Mansoor Saraj**, Professor, Department of Mathematics, Shahid Chamran University of Ahvaz, Iran.
9. **Dr. B. S. Panda**, Professor, Department of Mathematics, IIT Delhi, Hauz Khas, New Delhi, India.
10. **Prof. Abdelmejid Bayad**, Professor, Université d'Évry Val d'Essonne, Université Paris-Saclay, France.
11. **Prof. Sudarshan Iyengar**, Associate Professor, Department of Computer Science and Engineering, IIT Ropar, India.
12. **Prof. Madgumangal Pal**, Professor, Vidyasagar University, Midnapore, West Bengal, India.
13. **Prof. Anita Pal**, Professor, Department of Mathematics, NIT Durgapur, West Bengal, India.
14. **Prof. S. Pirzada**, Professor, University of Kashmir,

Srinagar, India.

15. **Dr. B. S. Desale**, Professor and Head, Department of Mathematics, University of Mumbai, India.
16. **Dr. Ayman Badawi**, Professor, Department of Mathematics and Statistics, American University of Sharjah, UAE.
17. **Dr. Prasannakumara B. C.**, Professor, Department of Mathematics, Davangere University, Davangere, Karnataka, India.
18. **Dr. Gireesha B. J.**, Professor, Department of Mathematics, Kuvempu University, Jnana Sahyadri, Shimoga, India.
19. **Dr. V. Lokesh**, Professor and Chairman, Department of Mathematics, Vijayanagara Sri Krishnadevaraya University, Ballari, India.
20. **Dr. N. B. Naduvanamani**, Professor and Chairman, Department of Mathematics, Gulbarga University, Gulbarga, India.

About REVA University

Established under the REVA University Act, 2012, REVA University is recognized by the University Grants Commission (UGC) and approved by the All-India Council for Technical Education (AICTE).

REVA University is committed to holistic student development and currently offers:

- 42 full-time Undergraduate Programs
- 32 full-time Postgraduate Programs
- 18 Doctoral Programs
- A range of Certificate, Diploma, & Postgraduate Diploma Programs

The University offers programs in Engineering, Architecture, Science and Technology, Commerce, Management Studies, Law, Arts & Humanities, Performing Arts, and Indic Studies.

REVA promotes research across disciplines and offers doctoral degrees in various fields. The curriculum is designed through detailed analysis and research, with a focus on practical application, global relevance, and societal impact. Faculty members are seasoned academicians with industrial experience, bridging the gap between academia and industry.

The lush green campus, modern labs, well-stocked digital libraries, high-tech classrooms, and world-class sports facilities make REVA University a preferred destination for both students and top recruiting companies.

About the School of Applied Sciences

The School of Applied Sciences is driven by well-qualified and dedicated faculty members. It is equipped with state-of-the-art laboratories, digital classrooms, and a peaceful academic environment that supports both knowledge transfer and creation.

The school is known for:

- Collaborations with leading industries and research organizations
- Fostering critical thinking & problem-solving skills
- Encouraging innovative research

The school has published numerous peer-reviewed articles in national and international journals and has also secured patents and research grants from esteemed funding bodies like DST, DBT, VGST, ICMR, and the Coir Board. Research domains span Biotechnology, Biochemistry, Chemistry, Physics, and Mathematics.

About the Department of Mathematics

The Department of Mathematics at REVA University focuses on both Pure and Applied Mathematics, catering to students from diverse academic backgrounds. It offers:

- A full-time M.Sc. Program in Mathematics
- Doctoral and Post-doctoral Research Programs

The department proudly celebrates the successful completion of Ph.D. degrees by 30 research scholars. The faculty is highly qualified and actively engaged in teaching, research, and continuing education initiatives.

About the Conference

The 6th International Conference on Recent Trends in Applied and Computational Mathematics (ICRTACM-2025) is a vibrant celebration of mathematical innovation and academic collaboration.

The conference features:

- Keynote lectures by renowned experts
- Technical sessions and panel discussions
- Research presentations by emerging scholars

The focus areas include, but are not limited to:

- Operations Research
- Numerical Analysis
- Computational Fluid Mechanics
- Graph Theory
- Algebra
- Fuzzy Logic and its Applications
- Applied Statistics
- Mathematical Modelling of Engineering Systems

ICRTACM-2025 serves as a premier platform to explore cutting-edge developments in mathematical applications across Engineering, Technology, and interdisciplinary domains.

Important Dates

Last date for submission of Abstract:

September 20, 2025

Abstract acceptance:

September 30, 2025

Last date for full length paper submission:

October 03, 2025

Last date of registration:

October 06, 2025

About The Conference

6th International Conference on Recent Trends in Applied and Computational Mathematics (ICRTACM-2025) is a testament to the vibrant and dynamic nature of mathematics, as well as to the collaborative spirit that fuels our progress. Our program includes keynote lectures from some of the foremost experts in the field, stimulating lecture discussions, and insightful presentations from emerging researchers.

ICRTACM-2025 is the premier platform to create a future strategical development in applications of Mathematics in various fields of Engineering & Technology and to give experiential directions to young researchers in applying innovative ideas in their research areas including Operations Research, Numerical Analysis, Computational Fluid Mechanics, Graph Theory, Algebra, Fuzzy Logic and Applications, Statistical Methods, and Mathematical Modelling of Engineering Systems.

Registration fee

Sl. No.	Participants	Amount (INR)
1	Delegates from industry	3500/-
2	Faculty	2000/-
3	Research scholars	1500/-
4	Students	750/-
5	International delegates	\$ 150

Speakers

Prof. Yilmaz Simsek

Akdeniz University Faculty of Science Department of Mathematics, Antalya – Turkey

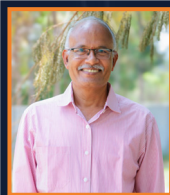

Prof. Sivaramakrishnan Sivasubramanian

Department of Mathematics, Indian Institute of Technology, Powai, Mumbai, India.

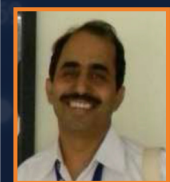

Dr. Balaji Ramamurthy

Professor, Department of Mathematics, Indian Institute of Technology, Chennai, Tamil Nadu, India.

Dr. R. P. Suresh

Professor of Practice-Data Science, School of Computational and Data Sciences & School of Business Studies, Vidyashilp Universty, India.

Prof. Ram Prakash Sharma

Professor, Department of Mathematics, The National Institute of Technology, Arunachal Pradesh, India

Prof. Srinivasa Rao Pentyla

Department of Mathematics & Computing Indian Institute of Technology (ISM) Dhanbad Jharkhand State, India

Dr. Hari Ponnammma Rani

Professor, Department of Mathematics NIT Warangal, Telangana, India.

Dr. Motahar Reza

Associate Professor, Department of Mathematics, GITAM Deemed University, Hyderabad, India.
